

## Northern Ireland Social Care Council - How to find us

NISCC, Millennium House, 19-25 Great Victoria Street, Belfast  
Telephone: 02890 417600

NISCC is located in the heart of Belfast city centre. It is beside Great Victoria Street train station and Europa (Glengall Street) bus station. Both stations can be accessed from the Great Northern Mall on Great Victoria Street. Public hire taxis are available at the front of the Great Northern Mall.

Limited on-street car parking is available in the area, most of which is metered. There are a number of pay-per-hour car parks close to Millennium House. These can be accessed from Sandy Row and Hope Street. (Hope Street is one-way and must be accessed from the Sandy Row end).

The NISCC office has been designed to ensure disabled access in all parts of the accommodation and induction loops have been fitted to the seminar rooms. If you need assistance accessing the building, please ring in advance to ensure someone is available to help you.
