

Registration Fee Information Sheet

January 2008

Registration Application Fee

Registration fees will vary according to the applicant's job role. The application fee should be included with the application to register and any supporting documents requested. The table below lists current fees for the groups of staff now eligible to register.

Registration Annual Fee

When registration is granted, it is usually for three years. Annual fees must be paid on/by the anniversary of the registrant's registration date. The registration team will write to advise when the annual fee is due.

Registration Renewal Fee

At the end of each registration period, an application to renew registration will be sent by the NISCC Registration Team. The renewal fee must be paid when applying to renew registration.

Payment Method

Payment for all fees is by cheque, made payable to 'Northern Ireland Social Care Council'. Payment should be returned with the completed forms and supporting documents in the pre-addressed envelope provided.
